ROUTE DESCRIPTION (Updated October 2017)

PLEASE REMEMBER TO TAKE GREAT CARE WHEN CROSSING ROADS

Leave car park by walking up steps to reach reservoir. Turn left and at corner of reservoir, turn right to continue following the edge of the reservoir. At end of reservoir, bear left to continue to follow footpath to reach track junction. Turn right and follow track for approx. 200m. Just before 5 bar wooden gate (into Waddesdon Estate), turn left on footpath. Follow footpath uphill for approx. 130m to reach disused canal. Turn left and follow towpath with dry canal on right (this is the Wendover Arm of the Grand Union Canal) to reach the first bench on your left.

Q.1 In whose memory is the bench dedicated to?

Continue to follow towpath to reach kissing gate. Go through gate and turn left to reach road. Turn right on road and after approx. 20m, turn left to cross road onto footpath. Immediately turn right to follow footpath with wire fence on left. At end of footpath, bear right and go ahead on road for approx. 100m to reach canal. Go over canal and immediately turn left down steps onto footpath with canal on left. Follow footpath with canal on left for approx. 750m. Follow footpath as it turns right and away from canal.

Continue to follow footpath with stream on left to reach road. Bear left to cross stream, then turn right onto walkway signed 'Leading to New Road' (crossing road using pedestrian crossing). Follow walkway with stream on right to reach junction with road. Turn left on road and after 10m is an Air Training Corps building on your left. (3km)

Q.2 Which Squadron is it?

Follow road to reach T-junction. Go straight ahead crossing road **WITH GREAT CARE** onto footpath to left of New Mill Terrace sign. Go up steps and follow footpath between fence and wall to reach junction with road. Turn right and follow road uphill. Continue to follow road passing school on right and immediately after passing house no. 66 on left, turn left into Marshcroft Lane. As houses end, continue ahead on single track lane **WITH CARE** for approx. 650m to reach bridge over canal. Immediately before the bridge, turn left and follow towpath downhill to join canal. On the left is a metal sign. (5km)

Q.3 How far is it to Braunston?

Follow towpath with canal on right for approx 1,000m. Continue on towpath to pass under bridge 133 at Bulbourne and continue ahead on tarmac access road passing pub on left. Continue ahead on towpath with canal still on right. At cottages, bear left to cross the Wendover Arm and go ahead to pass lock. Continue to follow towpath with canal on right and reservoirs on left (DO NOT take left hand fork between the reservoirs). At footpath fork, bear right following arrow on yellow background and staying on towpath alongside canal. At Bridge 132, go up steps to road. Cross road **WITH GREAT CARE** and go ahead on towpath with canal still on right. At canal junction, the towpath bears left to reach locks. After the second lock gate is an information board. (8km)

Q.4 When was the Aylesbury Arm opened?

Go ahead on towpath to pass under bridge and continue to follow towpath with canal on right. Follow towpath down steps to pass under bridge number 2. Continue on towpath passing under bridge number 3 to reach footbridge (bridge number 4). Turn left by bridge number 4, following black arrow on yellow background. Follow footpath as it becomes a track and passes a play area to reach road. Turn right and follow road round left hand bend. Follow road through village passing the World War 1 war memorial on the left and continue to follow road for approx. 500m to reach t-junction. Turn right and immediately cross road **WITH GREAT CARE** onto pavement opposite. Turn right and at end of pavement, bear left by wooden bollards following arrow on yellow background to follow footpath with hedge on right to return to the car park.
